Constitutional Law For A Changing America: Rights, Liberties, and Justice, 6th Edition Sep 09 2021

Civil Liberties & Human Rights Nov 11 2021 Civil Liberties and Human Rights provides a straightforward and stimulating account of this fascinating area of law. This essential textbook covers all the key topics on undergraduate human rights modules including crucial areas such as police powers, freedom of expression, terrorism and public order. Detailed analysis of key cases throughout puts the law into context and encourages students to engage with contemporary issues and debates.

Freedom and the Court Aug 20 2022 Previous edition, 6th, published in 1994.

Constitutional Law for a Changing America Dec 24 2022 Political factors influence judicial decisions. Arguments and input from lawyers and interest groups, shifting public opinion, and the ideological and behavioral inclinations of the justices collectively influence the development of constitutional doctrine. In Constitutional Law for a Changing America, bestselling authors Lee Epstein, Kevin T. McGuire, and Thomas G. Walker draw on both political science and legal studies to analyze and excerpt cases, accounting for recent landmark court decisions, including key opinions handed down through the 2020 term. Updated with additional material such as recent court rulings, more than 500 supplemental cases, and greater coverage of freedom of expression, this Eleventh Edition will develop students' understanding of how the U.S. Constitution protects civil rights and liberties. Included with this text The online resources for your text are available via the password-protected Instructor Resource Site. Learn more.

All the Laws but One Apr 23 2020 In All the Laws but One, William H. Rehnquist, Chief Justice of the United States, provides an insightful and fascinating account of the history of civil liberties during wartime and illuminates the cases where presidents have suspended the law in the name of national security. Abraham Lincoln, champion of freedom and the rights of man, suspended the writ of habeas corpus early in the Civil War--later in the war he also imposed limits upon freedom of speech and the press and demanded that political criminals be tried in military courts. During World War II, the government forced 100,000 U.S. residents of Japanese descent, including many citizens, into detainment camps. Through these and other incidents Chief Justice Rehnquist brilliantly probes the issues at stake in the balance between the national interest and personal freedoms. With All the Laws but One he significantly enlarges our understanding of how the Supreme Court has interpreted the Constitution during past periods of national crisis--and draws guidelines for how it should do so in the future.

Law, Liberty, and the Rule of Law Mar 23 2020 In recent years, there has been a substantial

increase in concern for the rule of law. Not only have there been a multitude of articles and books on the essence, nature, scope and limitation of the law, but citizens, elected officials, law enforcement officers and the judiciary have all been actively engaged in this debate. Thus, the concept of the rule of law is as multifaceted and contested as it's ever been, and this book explores the essence of that concept, including its core principles, its rules, and the necessity of defining, or even redefining, the basic concept. Law, Liberty, and the Rule of Law offers timely and unique insights on numerous themes relevant to the rule of law. It discusses in detail the proper scope and limitations of adjudication and legislation, including the challenges not only of limiting legislative and executive power via judicial review but also of restraining active judicial lawmaking while simultaneously guaranteeing an independent judiciary interested in maintaining a balance of power. It also addresses the relationship not only between the rule of law, human rights and separation of powers but also the rule of law, constitutionalism and democracy.

Human Rights and Civil Liberties Jan 25 2023 "We are introduced to the meaning and scope of human rights and civil liberties, the reasons for their recognition and enforcement, the machinery available for redress and, equally importantly, the reasons why such rights and liberties need to be restricted and the limitations thereof. These themes form the basis of the first Part of the text. Specific areas of civil liberties, such as freedom of expression, privacy and prisoners' rights, are studied in that context in the second Part, allowing the student to appreciate the tension between human rights and civil liberties and their legal protection, and to develop an understanding of the techniques used in domestic and international law to balance such liberties with other rights and interests."--BOOK JACKET.

Civil Rights and Liberties in the 21st Century Jun 18 2022 This up-to-date analysis of the Supreme Court's landmark rulings on civil rights and liberties is a discussion of the facts, legal issues, and constitutional questions surrounding those rulings. Domino's book serves as either a core text in courses on civil liberties and civil rights, or as a supplementary text in courses on constitutional law and the judiciary. The book is written in the belief that the key to understanding constitutional law is not having the right answers but asking the right questions. It encourages students to be critical thinkers and provides a historical context so students can better understand competing social, legal, and political interests affecting the Supreme Court's decisions today. The text also includes numerous short excerpts from some of the more influential, eloquent, and controversial Supreme Court opinions to illustrate the handiwork of the powerful legal minds who have helped to shape our society. It reminds us that "the Court" is not an abstract legal mechanism, but rather a group of human beings with divergent opinions. New to the Fourth Edition Up-to-date discussion of recent rulings, from the standpoint of the Court as a Cultural Tribunal, including: freedom of expression, including hate speech and the historic Citizens United case on campaign finance freedom of religion, including prayer during public meetings and the controversial Hobby Lobby case on corporate religious belief social issues, including reproductive rights & abortion and the landmark Obergefell case on same-sex marriage New section on obscenity and the First Amendment, including discussion of Internet pornography Expanded discussion of the use of GPS and thermal scanning technology by law enforcement and issues surrounding mobile phone privacy The nomination and confirmation politics surrounding the death of Antonin Scalia, the failed nomination of Merrick Garland, and the confirmation of Trump appointee Neil Gorsuch Analysis and comparison of the Roberts Court to the Rehnquist, Burger, and Warren Courts, revisiting the question of counterrevolution that set the theme for previous editions

Constitutional Law for a Changing America Dec 12 2021

Liberty, Property, and the Future of Constitutional Development Feb 02 2021 This book is a discussion of current trends in the constitutional protection of economic liberties. Since the mid-

1930's, the Supreme Court has been reluctant to replace legislative judgements on matters of economic regulation with its own. While the Court permits wide legislative experimentation in the economic realm, it scrutinizes governmental attempts to regulate or abridge other civil liberties quite closely. This state of affairs is known as the "double standard." The question of the appropriateness of this unequal treatment by the Court of these two classes of liberties generates much of the controversy in this volume. Other topics dealt with include the current trends in (and relevance of) constitutional law for welfare rights, labor unions, and labor law. Recent Supreme Court decisions on property rights also receive much attention.

Freedom of Speech Apr 16 2022 The First Amendment's freedom of speech provision is considered the cornerstone of the U.S. Constitution. Yet this fundamental freedom has continually been reassessed and reshaped, not by landmark Supreme Court rulings alone but also by political power plays, economic crises, times of war, and changing social mores. This volume shows how our most basic right is manifested in the realities of politics and culture as well as the law.

Freedom of the Press: Rights and Liberties Under the Law Jan 21 2020 This volume examines the evolution of press freedom in America. A historical overview of philosophical and English origins precedes an exploration into the judicial, regulatory, social, political and economic developments that have shaped press freedoms.

Law, Liberty and the Constitution May 05 2021 Throughout English history the rule of law and the preservation of liberty have been inseparable, and both are intrinsic to England's constitution. This accessible and entertaining history traces the growth of the law from its beginnings in Anglo-Saxon times to the present day. It shows how the law evolved from a means of ensuring order and limiting feuds to become a supremely sophisticated dispenser of justice and the primary guardian of civil liberties. This development owed much to the English kings and their judiciary, who, in the twelfth century, forged a unified system of law - predating that of any other European country - from almost wholly Anglo-Saxon elements. Yet by the seventeenth century this royal offspring - Oedipus Lex it could be called - was capable of regicide. Since then the law has had a somewhat fractious relationship with that institution upon which the regal mantle of supreme power descended, Parliament. This book tells the story of the common law not merely by describing major developments but by concentrating on prominent personalities and decisive cases relating to the constitution, criminal jurisprudence, and civil liberties. It investigates the great constitutional conflicts, the rise of advocacy, and curious and important cases relating to slavery, insanity, obscenity, cannibalism, the death penalty, and miscarriages of justice. The book concludes by examining the extension of the law into the prosecution of war criminals and protection of universal human rights and the threats posed by over-reaction to national emergencies and terrorism. Devoid of jargon and replete with good stories, *Law, Liberty and the Constitution* represents a new approach to the telling of legal history and will be of interest to anyone wishing to know more about the common law - the spinal cord of the English body politic. Harry Potter is a former fellow of Selwyn College, Cambridge and a practising barrister specialising in criminal defence. He has authored books on the death penalty and Scottish history and wrote and presented an award-winning series on the history of the common law for the BBC.

Constitutional Law for a Changing America Nov 23 2022

Constitutional Law for a Changing America Apr 28 2023 Capturing the authors' excitement for constitutional law, this updated Tenth Edition of *Constitutional Law for a Changing America* shows students how judicial decisions are influenced by political factors—from lawyers and interest groups, to the shifting sentiments of public opinion, to the ideological and behavioral inclinations of the justices. Authors Lee Epstein and Thomas G. Walker show how these

dynamics shape the development of constitutional doctrine. Known for fastidious revising and streamlining, the authors incorporate the latest scholarship in the fields of both political science and legal studies and offer solid analysis of both classic and contemporary landmark cases, including key opinions handed down through the 2017 session. Filled with additional supporting material—photographs of the litigants, sidebars comparing the United States with other nations, and "Aftermath" boxes that tell the stories of the parties' lives after the Supreme Court has acted—the text helps students develop a thorough understanding of the way the U.S. Constitution protects civil rights and liberties. Bundle with the Resource Center for FREE! Take your constitutional law class beyond the book with Epstein and Walker's newly redesigned Resource Center, featuring more than 500 excerpted, supplemental cases referenced in the commentary of the *Constitutional Law for a Changing America* volumes. The Resource Center offers a place for students to study core content with online quizzes and explore court cases. Instructors can find teaching materials, including hypothetical cases paired with discussion questions and writing assignments, moot-court simulations, test banks, and more. Ensure FREE access—use bundle ISBN: 978-1-5443-5051-6.

Constitutional Law for a Changing America May 17 2022

Civil Rights and Liberties Sep 21 2022 An engaging conceptualizing chapter opens *Civil Rights and Liberties: Cases and Readings in Constitutional Law and American Democracy*, introducing civil liberties within their constitutional framework, illuminating their nature and sources through enlightening Supreme Court deliberations that show the underlying debates about constitutional interpretation. A distinctive approach to themes and principles encourages students to develop their own views on civil liberties in general and on the specific controversies such as abortion, gay rights, and hate speech. Extensive, intriguing excerpts from a highly focused set of cases and other readings from contemporary theory highlight conflicting opinions among the justices. They provide depth of understanding of the Constitution and of the disputes that have shaped its meaning, including the basis and nature of judicial authority. The text's thematic organization reveals the structural and normative features of the Constitution and constitutional law by linking them to contemporary issues and controversies. Key historical elements lend context and depth. A logical chapter structure offers probing overviews of the topics, constitutional arguments, and chapter readings followed by a broad range of theoretical and historical writings leading up to the cases. This multidimensional perspective draws on a wide array of resources such as case excerpts, concurring and dissenting opinions, law journal and articles, general publications, published letters, and other documents. Probing case comprehension, discussion, and synthesis questions punctuate and reinforce content. Features: an engaging conceptualizing opening chapter introduces civil liberties within constitutional framework illuminates their nature and sources through enlightening Supreme Court disputes shows underlying debates about constitutional interpretation a distinctive approach to themes and principles encourages students to develop their own views on civil liberties engages students in specific controversies--abortion, gay rights, and hate speech, etc. intriguing excerpts from a highly focused set of cases and other readings highlight disputes among the justices provide depth of understanding of the Constitution and interpretive disputes explore the basis and nature of judicial authority thematic organization shows structural and normative features of the Constitution and constitutional law links the Constitution to contemporary issues and controversies provides key historical elements for context logical chapter structure author's overviews of topics, constitutional arguments, and chapter readings a broad range of theoretical and historical writings key cases a multidimensional perspective draws on a wide array of resources case excerpts concurring and dissenting opinions law journal articles general publications published letters and other documents probing case comprehension, discussion, and

Glannon Guide to Constitutional Law Nov 30 2020 Glannon Guide to Constitutional Law: Individual Rights and Liberties is a concise, clear, and effective review of Individual Rights and Liberties topics in Constitutional Law that is organized around multiple-choice questions. Brief explanatory text about a topic is followed by one or two multiple-choice questions. After each question, the author explains how the correct choice was identified thereby helping the student to review course content and at the same time learn how to analyze exam questions. Following the proven Glannon Guide format, this concise paperback: Integrates multiple-choice questions into a full-fledged review of a Constitutional Law/Individual Rights and Liberties course. Prepares students with an initial discussion of law to learn effectively from subsequent questions in the text. Provides clear explanations of correct and incorrect answers that help to clarify nuances in the law. Presents sophisticated but fair multiple-choice questions that are neither too difficult nor unrealistically straightforward. Is valuable to all students regardless of whether they will be tested by multiple-choice or essay questions on their exams. Embodies a far more user-friendly and interactive approach than other exam preparation aids. Illustrates a sophisticated problem in the area under discussion with a more challenging final question in each chapter (the "Closer"). Provide practice and helpful review of concepts in earlier chapters with "Closing Closer" questions in the last chapter. Intersperses valuable exam-taking pointers throughout the text.

Constitutional Law for a Changing America Mar 27 2023 Political factors influence judicial decisions. Arguments and input from lawyers and interest groups, the ebb and flow of public opinion, and especially the ideological and behavioral inclinations of the justices all combine to shape the development of constitutional doctrine. Drawing on political science as much as from legal studies, *Constitutional Law for a Changing America* helps students realize that Supreme Court cases are more than just legal names and citations. With meticulous revising, authors Lee Epstein and Thomas G. Walker streamline material while accounting for recent landmark cases and new scholarship. Ideal for a one-semester course, the Seventh Edition of *Short Course* offers all of the hallmarks of the Rights and Powers volumes in a more condensed format. Students and instructors benefit from the *Constitutional Law for a Changing America* Resource Center, which features more than 500 excerpted supplemental cases, links to CQ Press reference materials, and a moot court simulation. Learn more at edge.sagepub.com/conlaw ORDER THE CORRECT ISBN to ensure that your students get FREE access to the *Constitutional Law for a Changing America* Resource Center: Use bundle ISBN: 978-1-5443-0895-1

Engines of Liberty Feb 20 2020 From the national legal director of the ACLU, an essential guidebook for anyone seeking to stand up for fundamental civil liberties and rights One of Washington Post's Notable Nonfiction Books of 2016 In an age of executive overreach, what role do American citizens have in safeguarding our Constitution and defending liberty? Must we rely on the federal courts, and the Supreme Court above all, to protect our rights? In *Engines of Liberty*, the esteemed legal scholar David Cole argues that we all have a part to play in the grand civic dramas of our era -- and in a revised introduction and conclusion, he proposes specific tactics for fighting Donald Trump's policies. Examining the most successful rights movements of the last thirty years, Cole reveals how groups of ordinary Americans confronting long odds have managed, time and time again, to convince the courts to grant new rights and protect existing ones. *Engines of Liberty* is a fundamentally new explanation of how our Constitution works and the part citizens play in it.

American Constitutional Law: Civil Rights and Liberties Jul 27 2020 AMERICAN CONSTITUTIONAL LAW, Volumes I and II, combines cases, decisions, and authorial commentary to make the texts a perfect instructional choice. These comprehensive volumes cover the entire range of topics in constitutional law. Each of the chapters includes an extended

essay providing the legal, historical, political, and cultural contexts for the set of edited decisions from the United States Supreme Court case that follows. In selecting, editing, and updating the materials, the authors emphasize recent trends in major areas of constitutional interpretation. At the same time, the authors include many landmark decisions, some of which retain importance as precedents while others illustrate the transient nature of constitutional interpretation. Because the book provides a good balance of decisions and authorial commentary, this text appeals to instructors of law as well as instructors of political science. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Equal Protection Sep 28 2020 An introductory survey of the government's role in America's continuing drive for equality. Today's lingering inequalities, particularly the "American dilemma" of racism, runs throughout U.S. history. Equal Protection provides readers with a historical overview of the controversies over the issue of equality, an understanding of how government-and, particularly, the courts and Congress-has reacted to these controversies, and the role these issues have played in shaping U.S. society. This volume follows the push for equal treatment regardless of age, gender, disabilities, economic status, or sexual orientation. It focuses on legislation such as the Americans with Disabilities Act, and political initiatives and movements such as The Great Society, the ERA, and the War on Poverty. Here are American's interpretations of equal rights, then and now. Includes a section of A-Z entries covering people, laws, events, judicial decisions, statutes, and concepts related to equal protection in the United States Primary source documents include court decisions, executive orders, and legislation that shaped the status of equal protection in our society today

Bonfire of the Liberties Jun 06 2021 The Bonfire of the Liberties is a provocative book which confronts the corrosion of civil liberties under successive New Labour governments since 1997. It argues that the last decade has seen a wholesale failure of constitutional principle and exposed the futility of depending on legal rights to restrict the power of executive government. It considers the steps necessary to prevent the continued decline of political standards, arguing that only through rebalancing political power can civil liberties be adequately protected Relying on extensive new research of inaccessible sources, the book examines the major battlegrounds over civil liberties under New Labour, including the growth and abuse of police power, state surveillance and counter-terrorist measures. It unfolds a compelling narrative of the major battles fought before Parliament and in the courts, and attacks the failure of the political and legal systems to offer protection to those suffering abuses of their civil liberty at the hands of an aggressive Executive. In doing so, it offers a definitive account of the struggle for civil liberty in modern Britain, and a controversial argument for the reforms necessary to contain executive power.

Constitutional Law Jul 19 2022

Textbook on Civil Liberties and Human Rights Aug 08 2021 Written primarily for students, this textbook will also be of interest to anyone who is concerned about restrictions on individual freedom. The author assesses the impact of the Human Rights Act 1998 and the Freedom of Information Act 2000.

Civil Rights & Liberties in the 21st Century Oct 22 2022 This up-to-date analysis of the Supreme Court's landmark rulings on civil rights and liberties is a discussion of the facts, legal issues, and constitutional questions surrounding those rulings. Domino's text serves as either a core text in courses on civil liberties and civil rights, or as a supplementary text in courses on constitutional law and the judiciary. The book is written in the belief that the key to understanding constitutional law is not having the right answers but asking the right questions. It encourages students to be critical thinkers and provides a historical context so students can better understand

competing social, legal, and political interests affecting the Supreme Court's decisions today. The text also includes numerous short excerpts from some of the more influential, eloquent, and controversial Supreme Court opinions to illustrate the handiwork of the powerful legal minds who have helped to shape our society. It reminds us that "the Court" is not an abstract legal mechanism, but rather a group of human beings with divergent opinions.

Basic Cases in US Constitutional Law Mar 03 2021

Privilegia Londini Oct 10 2021

Constitutional Law and Politics Jan 01 2021 By selecting and organizing the most important cases of our nation's history, David O'Brien and new coauthor Gordon Silverstein have managed to make a daunting course manageable for both students and teachers. The inclusion of insightful headnotes and informative special features allows students to place individual cases--and the Court itself--in their larger context.

Individual Rights and Liberties Under the U.S. Constitution Jul 07 2021 "Individual Rights and Liberties Under the U.S. Constitution" offers an insightful and detailed summarization of the U.S. Supreme Court's case law to both American and European scholars and students alike.

Property Rights Oct 30 2020 A survey of the evolution of property rights in the United States--from constitutional protections and due process to private property rights and government-takings doctrines. Legal opinions and public attitudes toward property rights have fluctuated over the years, from periods when almost any infringement of these rights was impermissible, to times in which the government was granted much wider latitude. This book examines the history of individual property ownership in the U.S. from the late colonial era to the present, explaining how property rights were established, defended, and sometimes later reinterpreted. Of special interest are rights that have developed over time, such as due process, just compensation for government "takings" of private property, and the rights landowners may assert against other persons. Of particular interest to today's readers are government regulation of private property for environmental purposes, challenges to zoning regulations, and intellectual property rights in cyberspace. Alphabetical list of key people, cases, events, judicial decisions, statutes, and terms that are central to an understanding of property rights in the United States Reprints of key materials including constitutional provisions, excerpts from court rulings, and statutes

Human Rights and Civil Liberties in the 21st Century Mar 15 2022 This volume contributes to the on-going legal discussion on pressing procedural and substantial law issues in the ambit of international human rights and civil liberties. While the 20th century has seen the true awakening of human rights, the 21st century poses new challenges to this ever-unfolding area of law. Not only do international tribunals and quasi-tribunals worldwide and domestic US and European continental courts have to deal with increasing numbers of complaints and petitions from individuals and groups on a vast array of societal problems, the legal issues put to them are sometimes extremely difficult to resolve as they relate to very sensitive issues. This book examines issues ranging from the status of human rights under US law to the status of the ECHR in the broader context of international law. It looks at the role of positive obligations in the case law of the Strasbourg Court, as well the impact of its case-law on childbirth and push-back operation towards boat people, but also at the growing unwillingness of ECHR member states to cooperate with the Strasbourg Court. It explores the new frontiers in US Capital punishment litigation, the first case before the International Criminal Court and the legal effect of judgments of the European Court on third states.?

Concentrate Questions and Answers Human Rights and Civil Liberties Apr 04 2021 The Concentrate Q&As are a result of a collaboration involving hundreds of law students and lecturers from universities across the UK. The series offers you better support and a greater chance to succeed on your law course than any of the competitors. 'A sure-fire way to get a 1st

class result' (Naomi M, Coventry University) 'My grades have dramatically improved since I started using the OUP Q&A guides' (Glen Sylvester, Bournemouth University) 'These first class answers will transform you into a first class student' (Ali Mohamed, University of Hertfordshire) 'I can't think of better revision support for my study' (Quynh Anh Thi Le, University of Warwick) 'I would strongly recommend Q&A guides. They have vastly improved my structuring of exam answers and helped me identify key components of a high quality answer' (Hayden Roach, Bournemouth University) '100% would recommend. Makes you feel like you will pass with flying colours' (Elysia Marie Vaughan, University of Hertfordshire) 'My fellow students rave about this book' (Octavia Knapper, Lancaster University) 'The best Q&A books that I've read; the content is exceptional' (Wendy Chinenye Akaigwe, London Metropolitan University) 'I would not hesitate to recommend this book to a friend' (Blessing Denhere, Coventry University) BUNDLE: Epstein: Constitutional Law for a Changing America: Rights, Liberties, and Justice, 8e + Online Resource Center Feb 14 2022

Fenwick on Civil Liberties & Human Rights Dec 20 2019 More than merely describing the evolution of human rights and civil liberties law, this classic textbook provides students with detailed and thought-provoking coverage of the most crucial developments in the field, clearly explaining the law in context and practice. Updated throughout for this new edition, Fenwick on Civil Liberties and Human Rights considers a number of recent major changes in the law – in particular proposals to replace the Human Rights Act with a British Bill of Rights, and the Counter-Terrorism and Security Act 2015 – whilst also contextualising the impact of reforms on hate speech and contempt due to advances in new media. Comprehensive and authoritative, this textbook offers an essential resource for students on human rights or civil liberties courses, as well as a useful reference for students and scholars of UK Public Law.

Constitutional Law in Contemporary America: Civil rights and liberties. Creating the modern federal judiciary ; The First Amendment and religion ; Freedom of speech ; Free press and association, obscenity, pornography, commercial speech, and censorship ; Criminal due process Jun 25 2020 Constitutional Law in Contemporary America is the most up-to-date, carefully edited, and student-friendly undergraduate constitutional law textbook. Placing a unique emphasis on property rights, election law, and issues of gender, gender orientation, foreign policy, and criminal due process, the two-volume text features: * Skillfully edited excerpts of canonical Supreme Court decisions and lower federal and state court decisions * Historically important auxiliary materials--such as the Virginia and Kentucky Resolutions, the Declaration of Sentiments, and the Gulf of Tonkin Resolution--which help students better understand American constitutional law, politics, and government * Succinct case introductions, timelines, discussion questions, chapter glossaries, and chapter bibliographies * Discussions emphasizing significant contemporary issues (e.g., same-sex marriage, free speech on the Internet, and the war on terrorism) * Topical overviews for each constitutional subject area In order to best suit the traditional two-semester constitutional law sequence, the text is conveniently divided into two volumes: * Volume One: Institutions, Politics, and Process presents cases relating to the three branches of the national government. The authors address federalism, the relationship between the citizen and the political process, and those issues of property that have dominated the Supreme Court since its inception nearly two centuries ago. Other topics include: Constitutional and foreign affairs, including case law developed post-9/11; election law and political process cases; the role and power of the federal courts; economic due process; and eminent domain law. * Volume Two: Civil Rights and Liberties covers civil rights and liberties issues including those addressed in the Bill of Rights (as subsequently applied to the states) and in the Reconstruction Amendments. The authors address expressive freedoms such as religion, speech, press, and association, as well as the rights of those accused or convicted of

crimes. Other topics include the state action doctrine, equal protection, the Second Amendment and gun rights, the rights of students, the death penalty, privacy, and reproductive rights.

Concentrate Questions and Answers Human Rights and Civil Liberties Jan 13 2022 Concentrate QandA Human Rights and Civil Liberties guides you through how to structure a successful answer to a legal problem. Whether you are preparing for a seminar, completing assessed work, or in exam conditions, each guide shows you how to break down each question, take your learning further, and score extra marks. The Concentrate QandA series has been developed in collaboration with hundreds of law students and lecturers across the UK. Each book in this series offers you better support and a greater chance to succeed on your law course than any other QandA guide.

'A sure-fire way to get a 1st class result' - Naomi M, Coventry University
'I can't think of better revision support for my study' - Quynh Anh Thi Le, University of Warwick
'My grades have dramatically improved since I started using the OUP QandA guides' - Glen Sylvester, Bournemouth University
'My fellow students rave about this book' - Octavia Knapper, Lancaster University
'These first class answers will transform you into a first class student' - Ali Mohamed, University of Hertfordshire
'The best QandA books that I've read; the content is exceptional' - Wendy Chinenye Akaigwe, London Metropolitan University

Take it online: The 3rd edition is available in paperback, or e-book. Visit www.oup.com/lawrevision/ for multimedia resources to help you with revision and assessment.

The Price of Rights May 25 2020 To paraphrase the Book of Job, 'the state giveth and the state taketh away'. American government gives its citizens benefits such as Social Security, college scholarships, tax breaks, and licenses. But what do the courts do when it 'taketh away' these boons from individuals who criticize it bitterly or refuse to work on their holy day? The Price of Rights addresses the problem of how the judiciary reacts when a generous polity denies its bounty to people exercising their fundamental rights - an issue frequently ignored in college and law school civil liberties classes. Thus this book will be a valuable supplement for students taking such courses and should interest anyone desirous of safeguarding our Bill of Rights.

Rights, Liberties & the Rule of Law Aug 28 2020 Rights, Liberties & the Rule of Law is a casebook reader outlining the landmark Supreme Court cases that concern our rights and liberties as Americans. Students will be able to read the relevant opinions from the justices in the original. Each section is followed by questions for review and discussion.
