*Quiet in Her Bones* May 16 2022 In this gripping thriller set in New Zealand, New York Times bestselling author Nalini Singh takes you into the twisted world of an exclusive cul-de-sac located on the edge of a sprawling forest. My mother vanished ten years ago. So did a quarter of a million dollars in cash. Thief. Bitch. Criminal. Now, she's back. Her bones clothed in scarlet silk. When socialite Nina Rai disappeared without a trace, everyone wrote it off as another trophy wife tired of her wealthy husband.

But now her bones have turned up in the shadowed green of the forest that surrounds her elite neighborhood, a haven of privilege and secrets that's housed the same influential families for decades. The rich live here, along with those whose job it is to make their lives easier. And somebody knows what happened to Nina one rainy night ten years ago. Her son Aarav heard a chilling scream that night, and he's determined to uncover the ugly truth that lives beneath the moneyed elegance...but no one is ready for the murderous secrets about to crawl out of the dark. Even the dead aren't allowed to break the rules in this cul-de-sac.

*My Bones and My Flute* Dec 11 2021 "Amongst the barks of baboons and rustles of hidden creatures a group of town-dwellers confront the reality of evil and their own fallibilities in the remote Berbice forests of Guyana. Mittelholzer subtitled this 1955 novel "A Ghost Story in the Old-fashioned Manner," and though there is more than a hint of tongue-in-cheek in this thoroughly entert

*The Lava in My Bones* May 04 2021 A frustrated geologist studying global warming becomes obsessed with eating rocks after embarking on his first same-sex relationship in Europe. Back home, his young sister is a high-school girl who suddenly starts to ooze honey through her pores, an affliction that attracts hordes of bees as well as her male classmates but ultimately turns her into a social pariah. Meanwhile, their obsessive Pentecostal mother repeatedly calls on the Holy Spirit to rid her family of demons. The siblings are reunited on a ship bound for Europe where they hope to start a new life, but are unaware that their disguised mother is also on board and plotting to win back their souls, with the help of the Virgin Mary. Told in a lush baroque prose, this intense, extravagant magic-realist novel combines elements of fairy tales, horror movies, and romances to create a comic, hallucinatory celebration of excess and sensuality. Barry Webster's first book, *The Sound of All Flesh*, won the ReLit Award

for story collections.

**Give Me Back My Bones!** Nov 22 2022 A silly pirate skeleton seeks to put its bones back together in this rhyming romp beneath the waves. Cast a spyglass 'round here while breakers curl and pound here. There's treasure to be found here — I feel it in my bones! A stormy night at sea has uncovered some long-buried secrets and surprises. Is that the mast of a shipwreck? A faded pirate hat? And what's that hiding in the sand? A mandible and a clavicle, phalanges and femurs, a tibia and a fibula — could there be a set of bones scattered across the ocean floor? And who might they belong to? A jaunty rhyme takes readers on an underwater scavenger hunt as a comical skeleton tries to put itself back together piece by piece. Make no bones about it: this rollicking read-aloud will have young ones learning anatomy without even realizing it.

**Beauty In My Bones** Apr 22 2020 Beauty in My Bones is the autobiographical story of Robin White. Growing up poor and orphaned at a young age, life for Robin White was anything but ideal. The abuse she and her siblings suffered at the hands of an older sibling, threatened to derail the author's destiny. It was the solid foundation planted by her beloved Yaya that sustained her through trying times as a child and the challenges of being an adult. The lessons of Yaya centered around the premise of observing, being still and hearing the soft quiet voice within, even when the world around her was raging. Although Yaya left much too soon, she left behind a wealth of strength and a tapestry of integrity, conditional love, and purpose. Knowing who she was wasn't the issue; the problem was what to do with who she was. The author hopes that by reading her story, you'll walk away with a newfound appreciation for knowledge, purpose, and self-awareness.

**The Cold Is in Her Bones** Jul 18 2022 “A dark and enchanting tale.” —Bustle “Fiercely written and beautifully feminist.” —Lisa Maxwell, New York Times bestselling author of The Last Magician One girl must uncover secrets of the past to save her friend from a terrible curse in this “dark, angry fairy tale” (BCCB, starred review) filled with love, revenge, and redemption that is inspired by the myth of Medusa. Milla knows two things to be true: Demons are real, and fear will keep her safe. Milla’s whole world is her family’s farm. She is never allowed to travel to the village and her only friend is her beloved older brother, Niklas. When a bright-eyed girl named Iris comes to stay, Milla hopes her loneliness might finally be coming to an end. But Iris has a secret she’s forbidden to share: The village is cursed by a demon who possesses girls at random, and the townspeople live in terror of

who it will come for next. Now, it seems, the demon has come for Iris. When Iris is captured and imprisoned with other possessed girls, Milla leaves home to rescue her and break the curse forever. Her only company on the journey is a terrible new secret of her own: Milla is changing, too, and may soon be a demon herself. Suspenseful and vividly imagined, *The Cold Is in Her Bones* is a novel about the dark, reverberating power of pain, the yearning to be seen and understood, and the fragile optimism of love.

*What My Bones Know* Feb 13 2022 A searing memoir of reckoning and healing by acclaimed journalist Stephanie Foo, investigating the little-understood science behind complex PTSD and how it has shaped her life “Achingly exquisite . . . providing real hope for those who long to heal.”—Lori Gottlieb, *New York Times* bestselling author of *Maybe You Should Talk to Someone* ONE OF THE BEST BOOKS OF THE YEAR: *The Washington Post*, *Cosmopolitan*, *NPR*, *Mashable*, *She Reads*, *Publishers Weekly* By age thirty, Stephanie Foo was successful on paper: She had her dream job as an award-winning radio producer at *This American Life* and a loving boyfriend. But behind her office door, she was having panic attacks and sobbing at her desk every morning. After years of questioning what was wrong with herself, she was diagnosed with complex PTSD—a condition that occurs when trauma happens continuously, over the course of years. Both of Foo’s parents abandoned her when she was a teenager, after years of physical and verbal abuse and neglect. She thought she’d moved on, but her new diagnosis illuminated the way her past continued to threaten her health, relationships, and career. She found limited resources to help her, so Foo set out to heal herself, and to map her experiences onto the scarce literature about C-PTSD. In this deeply personal and thoroughly researched account, Foo interviews scientists and psychologists and tries a variety of innovative therapies. She returns to her hometown of San Jose,

California, to investigate the effects of immigrant trauma on the community, and she uncovers family secrets in the country of her birth, Malaysia, to learn how trauma can be inherited through generations. Ultimately, she discovers that you don't move on from trauma—but you can learn to move with it. Powerful, enlightening, and hopeful, *What My Bones Know* is a brave narrative that reckons with the hold of the past over the present, the mind over the body—and examines one woman's ability to reclaim agency from her trauma.

**Sprouts of the Spirit** Mar 02 2021 The poems in *Sprouts of the Spirit* are centered on challenges that we face daily. Some of the poems are light hearted, while others may bring tears. How we prevent challenges from controlling our lives is important. Challenges may be small, while others could alter our lives with a form of control. Through God's grace and mercy we can overcome these challenges by allowing God to direct our path. Whatever challenges face us, we should try to alleviate them by focusing on a prayerful act for guidance. This prayer should continue as we ask for solutions, because different degrees of challenges will always exist, so prayer should never be far from our mind. Challenges are constantly placed upon us in this ever-changing society. How we cope with them determines our contentment. God's words of scripture exist to instruct and guide us in our response to daily challenges. When we believe in God, it enables us to maintain a harmonious level of existence through His word. And when we acknowledge others' experiences, which are similar to ours, we become less isolated globally.

**Fire in My Bones** Nov 10 2021 Glenn Hinson focuses on a single gospel program and offers a major contribution to our understanding not just of gospel but of the nature of religious experience. A key feature of African American performance is the layering of performative voices and the constant shifting of performative focus. To capture this layering, Hinson demonstrates how all the parts of the gospel program work

together to shape a single whole, joining speech and song, performer and audience, testimony, prayer, preaching, and singing into a seamless and multifaceted service of worship. Personal stories ground the discussion at every turn, while experiential testimony fuels the unfolding arguments. *Fire in My Bones* is an original exploration of experience and belief in a community of African American Christians, but it is also an exploration of African American aesthetics, the study of belief, and the ethnographic enterprise.

**The Deed to My Bones** Oct 29 2020 The great novelist Joseph Conrad said that the first and foremost duty of a writer is to make his reader "see" the story he or she is trying to tell. That has been my most deeply held conviction as a writer and filmmaker. In his piece, "Grand-mere," poet Bernard Pearce paints a beautiful portrait from memory of our beloved Bayou Teche. He demonstrates Conrad's point, bringing to focus in the mind's eye a singularly special place. Pearce exemplifies that marvelous ability to conjure a mental image in the mind's eye of his reader. Charles Richard, Professor of English - University of Louisiana at Lafayette This is my first collection of poetry...the subject matter is mostly about family, Louisiana, and my childhood... I've included photos and art that I've created in the book as well. I hope you enjoy the collection!

Heart of Malice Nov 29 2020 The first time Moses Murphy's granddaughter killed on his orders, she was six years old. For twenty years, she was a prisoner of an organized crime syndicate, forced to use her magic to make Moses the most powerful and feared man on the East Coast. To escape his cruelty, she faked her own death and started a new life as Alice Worth. As a private investigator specializing in cases involving the supernatural, Alice walks a precarious line between atoning for the sins of her

grandfather's cabal and keeping her true identity hidden. Hired to investigate the disappearance of a mysterious object of power, Alice enlists the help of Malcolm, a ghost running from a past as nightmarish as her own. It soon becomes clear the missing object was taken by someone with a dangerous secret and an unknown agenda. When her client is kidnapped, Alice must find her and the object of power before a vengeful killer destroys the city and slaughters thousands—starting with Alice.

*Fire In My Bones: A Walk Through Jeremiah* Oct 09 2021 "But if I say, 'I will not mention him or speak anymore in his name,' his word is in my heart like a fire shut up in my bones. I am weary of holding it in. Indeed, I cannot." - J. 20:9 Heinrich Ewald called Jeremiah, "the most human prophet." To Douglas Humphries, he's always been Jerry, "the prophet who talked back." Unexpectedly, blessedly standing in opposition to everything he thought it took to be one of the faithful. Jeremiah's story is one of rejection and destruction, tragic and yet profoundly hopeful. A true picture of what it costs to do the hard, right thing. What it means to follow God. What it means to even know God. And it found Douglas exactly when he needed it to. Part biblical analysis, part memoir, part confessional. As much a reaction to scripture as it is an investigation of it. This book brings new insight into an old, but all too familiar story. A new way to consider an old, but dear prophet.

*Bone of My Bones* Feb 25 2023 *Bone of My Bones* fictionalizes a Biblical equality and mutuality. The "complementarian" debate usually focuses on the realm of theory, and stereotypes the lived experience and the people who suffer from the contemporary Church's brand of sexism. This novel fleshes out many popular gender ideas, and explores how and why these conflict with Biblical truth.

**A Burning in My Bones** Dec 23 2022 This essential authorized biography of Eugene Peterson offers unique insights into the experiences and spiritual convictions of the iconic American pastor and beloved translator of *The Message*. “In the time of a generation-wide breakdown in trust with leaders in every sphere of society, Eugene’s quiet life of deep integrity and gospel purpose is a bright light against a dark backdrop.”—John Mark Comer, author of *The Ruthless Elimination of Hurry* “This hunger for something radical—something so true that it burned in his bones—was a constant in Eugene’s life. His longing for God ignited a ferocity in his soul.” Encounter the multifaceted life of one of the most influential and creative pastors of the past half century with unforgettable stories of Eugene’s lifelong devotion to his craft and love of language, the influences and experiences that shaped his unquenchable faith, the inspiration for his decision to translate *The Message*, and his success and struggles as a pastor, husband, and father. Author Winn Collier was given exclusive access to Eugene and his materials for the production of this landmark work. Drawing from his friendship and expansive view of Peterson’s life, Collier offers an intimate, beautiful, and earthy look into a remarkable life. For Eugene, the gifts of life were inexhaustible: the glint of fading light over the lake; a kiss from his wife, Jan; a good joke; a bowl of butter pecan ice cream. As you enter into his story, you’ll find yourself doing the same—noticing how the most ordinary things shimmer with a new and unexpected beauty.

**Fire in My Bones** Jul 06 2021 Dick Anderson's story makes astonishing reading. He and his wife, Joan, were pioneering

missionaries in Turkana, Kenya, spending many years in the front line of world evangelisation. Their ground-breaking experiences were used by Africa Inland Mission (AIM) to evaluate the possibility of mission the length and breadth of Africa. But this is not just another story of missionary success, Dick critically his work at the mission in Turkana, and evaluates how the mission has progressed since they started it in the late fifties. Going on to become AIM's International General Secretary wasn't without its problems either. As AIM's mission developed and evolved leadership wasn't easy and Dick doesn't gloss over the difficulties. Rather he identifies potential solutions that many of us can apply to our own situations. Book jacket.

*My Bones are Red* Feb 19 2020 "What started out as a quest to find the mother of her beloved grandfather, became for Patricia Waak a revelation about the diversity of her family. It became, in fact, a spiritual journey as she visited cemeteries, courthouses, and archives from Accomack County, Virginia, to Goliad, Texas. Filled with transcriptions of old court cases, accounts from oral history, and the results of countless hours of research, she also invites us to participate in her own discovery through original poetry which introduces each chapter. Included are photographs, genealogical charts, maps, and copies of old documents."--Jacket.
