Publishers is the exclusive factory-authorized publisher of Volkswagen Service Manuals in the United States and Canada. In every manual we provide full factory repair procedures, specifications, tolerances, electrical wiring diagrams, and lubrication and maintenance information. Bentley manuals are the only complete, authoritative source of Volkswagen maintenance and repair information. Even if you never intend to service your car yourself, you'll find that owning a Bentley Manual will help you to discuss repairs more intelligently with your service technician. Everything you need to troubleshoot, service, & repair the diesel engine & its direct-cylinder fuel injection system! This manual is just as thorough as our other two Rabbit/Jetta/Scirocco/Pickup Truck service manuals, but focuses exclusively on diesel models. We eliminated information covering the gasoline engine, fuel-injection, & other subjects that don't apply to diesel engine models.

Removing this potentially confusing material allows us to cover particular features of the diesel models in greater depth. You'll find testing, troubleshooting & repair steps for everything from diesel fuel injection adjustment to the oil cooler used on models with automatic transmission &/or Turbo-Diesel engines.
