Seminar paper from the year 2007 in the subject English Language and Literature Studies - Literature, grade: 2,7, [http: //www.uni-jena.de/](http://www.uni-jena.de/) (Institut für Anglistik/Amerikanistik), course: The Social Novel in 19th Century England, language: English, abstract: Charles Dickens was born on the 7th of February 1812 and the British Empire was about to become the greatest empire on the planet. Unfortunately not

all citizens have profited from this development. Dickens himself had to quit school and started his work in Warren's Blacking Factory, a period in his life which had - by his own comments - a huge impact on his lifetime and on his works thus, too. His biographer and friend John Forster also points out this factor. This assumption correlates with the sociology of the Frenchman Hippolyte Taine (1828 - 1893) who has said that each individual is determined by the three factors: race, milieu and moment. Stronger related to literary criticism Wilhelm Scherer (1841 -1886) had searched explicitly in the lives of authors for reasons which explain their works.

Especially *Hard Times* which was written in 1854 is strongly suitable because it mirrors these bad experiences Dickens made during his life. It reflects firstly the current conflict between the class of the working people (proletariat) and the smaller class of the manufacturers (bourgeoisie), secondly the sympathy for the first group resulting from his own youth. In a letter to Charles Knight (17th March 1854) he wrote: "The English are, so far as I know, the hardest worked people on whom the sun shines. [...] They are born at the oar, and they live and die at it." Hans Ulrich Seeber adds that English society decayed into two parts

which know almost nothing about each other. Dickens wanted to give a signal which should wake up both sides to stop this development before a revolution would destroy much more. To guarantee an impact on his readers it seems obvious that he has to describe the milieu and the moment of th

Mastering Shakespeare covers in detail the plays set in the National Curriculum through GCSE and A-Level to the major elements of Shakespearean drama studied in further education courses. The book is divided into sections that deal with comedy, tragedy and history. Also included are

detailed sections on the most popular plays in the theatre and in the examination room. The book deals with the basic themes of Shakespeare, the kinds of characters he created, the stories he was attracted to, and the ways in which the plays work out on stage. Among the plays studied are A Midsummer Night's Dream, Merchant of Venice, Julius Caesar, Romeo and Juliet and Hamlet. Emphasis has been placed on contextualizing literature and this updated version takes these changes into account by incorporating more material on historical and cultural contexts as well as in-depth discussions on novels, drama and poetry. This is an engaging account of the six most-read Austen novels. It provides a detailed critique of *Northanger Abbey*, *Sense and Sensibility*, *Pride and Prejudice*, *Mansfield Park*, *Emma*, and *Persuasion*, linking the significance of the works from the past to the present day in the light of contemporary attitudes to women, tradition, and innovation. The book explores

the influence of art, architecture, music, literature, theology, philosophy, history, and politics in the novels, and discusses both traditional and contemporary literary theory, examining Austen's use of wit and irony, and the nuances of her vocabulary. This guide offers an introduction to the basic skills and intellectual tools required for making a study of fiction. It presents an explanation of the most common features of prose, using practical examples drawn from six short stories which are included as part of the study programme. The book is carefully structured in logical steps intended to lead

the reader from attentive reading (to help produce a description of the piece), through analysis (inspecting, comparing and evaluating writing) to interpretation (making judgements on pieces of work and adopting different points of view). The overlapping of certain points and techniques is also explained and the book offers advice on spotting and analyzing specific writing techniques, gives practical advice on how to set about studying (keeping notes, organizing the page of work, drafting answers and so on) and offers self-assessment exercises and a detailed glossary. Under Course Work,

the book also suggests topics for discussion and essay topics for those using the book in a tutor-led setting.
