The author best describes *II Wheels Burning* as a riding autobiography, hard knocks and fantasy. He invites you all to join him on a life's legend of two wheel travels. Thirty-four previously published magazine articles from the *Backroad Bob's Motorcycle Adventures - Wastegates CD*. Produced over eight years as the fourteen-year president of the Turbo Motorcycle International Owners Association (TMIOA), these SWastegate editorials appeared in the association's quarterly newsletter "Turbo News" from Spring 1994 (#18) to the final edition in Fall 2003 (#51). Eighteen previously published magazine articles gleaned from 25 years and 137,000 miles of Yamaha Turbo ownership. Installing a K&N air filter, following Team Turbo, meeting other clubs' members, reviewing all the Turbos, attending Turbo Rallies, revealing dyno truths, and sharing what's been learned from many years and even more miles of turbo ownership are just some of the subjects covered. *American Motorcyclist* magazine, the official journal of the American Motorcyclist Association, tells the stories of

the people who make motorcycling the sport that it is. It's available monthly to AMA members. Become a part of the largest, most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800-AMA-JOIN. AdrenalineMoto is an authorized dealer of Parts-Unlimited and claims no ownership or rights to this catalog. The Parts Unlimited 2014 Street catalog is more than "just a book." Set your pulse racing with this stunning visual guide to over 1000 pin-up machines - iconic symbols of wanderlust, speed, and the open road. From Gottlieb Daimler's gas-powered "engine on a bicycle" which set fire to the seat on its first outing, to superbikes such as the Ducati 916, The Motorbike Book takes you on an enthralling tour of the bike's history. It shows you bikes that appeal to the head - practical forms of transport - and to the heart - a parade of classic pin-ups including cult machines such as the Honda RC30, the Triumph Bonneville and the Harley-Davidson XR750. The Motorbike Book shows the brilliance and impracticality of different designs and features detailed cross-sections of engines such as the air-cooled two-stroke. It explains how the great marques such as the Royal Enfield, the "legendary" Indian Scout, Vespa, and Norton all became household names. Whether you are a hardcore enthusiast, or looking forward to your first machine, this is one title you cannot be without. These 365 must-ride motorcycles range from classic

gaslight-era bikes, racers, and modern sportbikes to oddities that have to be ridden to be understood (or believed). Twenty-five previously published articles from the Backroad Bob's Motorcycle Adventures - People, Places, & Things CD. People - These articles examine some interesting motorcyclists and the powerful personalities that drive them. Places - Are you looking for an excuse to ride? These destinations will give you one. Things - Most of these articles are about motorcycle organizations and events.
